

**FLUSHMOUNTED ALBUMS**

Pages are printed using C-Type photographic paper, and then flush mounted onto boards to form 1mm thick pages. The finished block is trimmed to size before placing into your choice of cover design. You can choose our basic book cloth or Leather-like cover, or upgrade to one of our other cover options, including acrylic or Duo Cover designs.

Microfibre Leather: This is a forged leather - processed and pressed to produce a consistent leather texture.

Real Leather: This is a genuine leather hide - distinct grain in each individual cover (hide may contain flaws).

**EXTRA SETUP COSTS**

## FLUSHMOUNTED PARENT ALBUMS Only available when purchased with a main album

Produced using your main album designs, each page is printed using photographic paper, and then flush mounted onto boards to form 1mm thick pages. The finished block is then placed into a cover design that will best compliment your main album.
